

CORNERSTONE

SANDYLANDS METHODIST CHURCH

Dear Parent/Guardian,

As part of our end of term programme for XLR8 we are planning a two events.

Firstly, as you maybe aware, Sandylands Residents Association is raising money for a new play park. We would like to hold a sponsored car wash to raise some vital money for park funds. It would be great if your son/daughter would be able to help - as the new park will really benefit them immensely. We plan to hold this at the same time as the Sandylands Fete, **Saturday 4th July, 2pm - 4pm**. Please come in suitable clothes to wash cars AND please bring your car for us to wash!

Secondly, we plan to take the XLR8 group to Blackpool Pleasure Beach for the day. This will take place - **Saturday 11th July, 8.30am - 7.00pm** approximately. It is a free trip, we will be providing the transport (Heron Travel mini bus) and full entry into the pleasure beach. Therefore your son/daughter doesn't require any money, apart from lunch money.

We only have space for 20 young people, and spaces will go very quickly. Get your forms back to us quickly!

If you have any questions please don't hesitate to contact me.

Your Sincerely,

Jonny Gios
On behalf of the XLR8 youth team
07530 104182
