60+HOLIDAY CLUB (Friday 20th October) needs some knitting needles for use with double knitting wool - sizes 7, 8, or 9. If you have any to spare and could lend them, please, that would be much appreciated. Also odd balls of double knitting wool of any colour (not HUGE amounts!), please. Lance or Jenny Goodman would be happy to receive them. Thank you.
 Also Elizabeth needs Coffee Jar Lids or similar size containers for making Christmas arrangements.

LOST: XLR8 has a Giant/garden Jenga (kept in a black bag with JERONIMO on it), but it's MISSING from its usual location in the Zone, and can't be found anywhere else in the church building either. It was used a couple of times in the school holidays, but was missing by Bank Holiday Monday, 28th August. If you know anything about where it might be, please let Simon Raw or Lance or Jenny Goodman know. Thank you.
