

Storm Desmond commemorative event 2017 Dorothy Bailey would like ideas on how we might commemorate the events and experiences of 5/6th December 2015. From the feedback so far, the preference has been to hold the event on the Sunday afternoon prior to the 5/6th rather than on the actual day which is a working/school day. The theme could again be Hope and Encouragement then , now and in the future . Please let Dorothy have your thoughts and ideas.

Sandylands Church – 7.00 pm, Thursday, 16th November

Dementia Friends is a social movement helping us to change the way people think, talk and act about dementia. Being a Dementia Friend means learning more about dementia, what it's like to live with dementia and how you can turn that understanding into action helping us to make Kendal another dementia friendly community. See Geoff Barrett for more information.
