### "Prayer Partners" before Morning Service.

We are busy people in a very busy church, but know that prayer is fundamental and central to all we do and are. We have our Prayer Group & Prayer Chain, also House Groups, where we pray together, plus our private prayer. So - "Prayer Partners"??

"Prayer Partners" are two people who come together to pray - in this instance, before the start of our Sunday Morning Service. Two "Prayer Partners" will sit together ten minutes before the start of the service and silently pray for the service that day:-

for the Preacher, for all who come to worship and for all that will take place in the service- that God will richly bless.

If you feel called to be part of a "Prayer Partners Team", then please see/contact Delphine
