Wanted; someone who speaks Spanish! On 9th July at 10am , the Reverend Ariel Fernandez, from Argentina will be visiting Sandylands. This visit is being arranged by Irene McKay as part of the ongoing relationship that Methodists in Cumbria have developed with the Methodist Church in Argentina. Rev Ariel will be with us here for about an hour and it would be great if we were able to provide him with information in Spanish about Cornerstone before he comes. So is there anyone at Sandylands who might be able to translate some of our church information from English into Spanish or who might be able to be present during the visit which will last for about 1 hour. If you can help, could you please let Dorothy know

Date for your diary:- The next **60+ Activity Day** will be held on Friday 13th September.
