Acorn Listening Course: Wednesdays 11th & 18th September

I always thought I was quite a good listener until I did this course but quickly discovered that I had much to learn! Good listening skills are a real gift we can offer to others and something everyone can do. We will be delivering the Acorn listening course this coming September. The course will run over two evenings from 7.30 to 9.30pm in Kirkby Lonsdale Methodist Church. This course is for anyone who does pastoral visiting or anything which involves listening to young people or adults in any way.

Please book onto this course by contacting Lol Wood our family Project Leader:
lol@cilfamilyproject.org

If you did this course last year but would welcome a refresher, feel free to book on to this too.

* The collection box for the Kings Food Bank will be in church next Sunday; please remember to bring your donation for those less fortunate.
