6.30pm—01.00am Full details on this is on the Notice Board. The work will be carried out in 2 stages and the barriers on Sandgate will be temporarily removed to assist with access.

Central Heating Thermostats - these are all now set to come in line with our regular group bookings. Please **DO NOT** open the flaps and press any buttons on any of the thermostats as this can mess with the programming.

If you want to turn the heating up in a room then please just use the up/down arrow. This change will then be cancelled out as the program moves on.
 Thank you the property committee

"Ooh, La La!" Are you interested in France? Perhaps you have enjoyed holidays there. If you would like information to help you pray for French Christians and Churches, please look for a blue, white and red (!) leaflet on the notice board. This is supplied by France Mission and will tell you how to get those details. Or speak to Jenny Goodman. Merci!

Do you, or anyone you know, have a **SEWING MACHINE**, hand or electric, they no longer want? **TWAM - Tools with a Mission** - is a charity which collects and refurbishes tools for distribution to disadvantaged people throughout the world. We have a contact in Kirkby Lonsdale who will collect from us. See www.twam.uk for more about their work. Wendy

Volunteers desperately needed for Tuesday Lunch club at Stricklandgate

The lunch club provides a hot 3 course meal for people who want to come together for company and a hot meal. Most of the folk live alone and live all across Kendal, so this time together is very important in alleviating loneliness.

The meal is cooked by different teams each week with about 6 people on each team. So you would be asked to volunteer once a month. Please contact Tricia or Jeff for more details

PARKING - Another reminder for us to be considerate of the residents on Sandgate when we park for church or church activities. For those who are able please use Sandgate School car park on Sunday mornings to leave space for those who need to park nearer the church. When parking through the week please make sure you, or anyone in your group are not obstructing driveways (dropped kerbs). This sounds like common sense to us but we have had a few complaints recently so we're asking for everyone to help with this issue.
