Remember buying some little bobble hats, knitted by Tilly, to hang on your Christmas tree? Tilly raised £180 for St John's Hospice with this project. Well, because of this she was invited to a Jubilee Afternoon tea at No10, Downing Street, hosted by Nadine Dorries (Culture secretary) and Nigel Huddleston (Sports Minister) This took place on Monday 6th June and unfortunately Boris Johnson was otherwise engaged. However, Tilly had a fantastic time, and is going to tell us all about it at our annual awards evening on Monday 4th July at 6:00pm. Please come and join us, and hear about this once in a lifetime experience, and see the photos!!

BIG THANKS to everyone who contributed to this year's Christian Aid collection. The Community Choir Concert raised £652 (including gift aid); and the church collection raised ££310.37 (including gift aid). So, **an amazing total of £962.37** which will make a huge difference to the lives of individuals and families in the developing world, enabling them to build sustainable livelihoods, and a secure future in the face of huge economic and environmental challenges. Thank you so much.

**North West & Mann Regional Review** - Cumbria, Manchester & Stockport, Bolton & Rochdale, Liverpool and Lancashire districts are currently involved in a regional review. They are looking at the possibility of the districts merging in some way to become one. If/when any changes come into effect it will affect us all, and it would be great for as many people as possible to have input into the process.

The districts involved in the process are hosting 3 open consultations to explore in more detail the model that could be presented to the spring synods. This model is still being developed and the feedback and input in these consultations will be fed into the design process, These conversations are open to all and will be held on Zoom. The dates are 9th, 13th or 19th July. Please ask one of the stewards for details of timings and the zoom links.
